Dear Visitor(s), please note:

Room reservations are dealt with on a first come, first served basis. It is for this reason we recommend that you make your hotel reservations as soon as possible. Upon receipt of the booking confirmation from the Munich Tourist Office you will automatically become a contractual partner with the hotel booked, under the conditions of the German Hotel Reservations Contract settled by DEHOGA. The Munich Tourist Office is only acting as an agent and does not assume any liability for the service and efficiency offered by the hotel.

Rights and Obligations of the Hotel Reservations Contract

1. The contract between the guest and the hotel concerned is considered binding as soon as the room has been reserved and the reservation confirmed, or in the event of a late booking – as soon as the room has been reserved.
2. The contract between the guest and hotel when entered into obliges both contractual partners to fulfill all the contract conditions, regardless of the duration of the contract.
3. The hotel is obligated, in the event that the room booked is not available, to compensate the guest.
4. In the event of an early departure or No-Show, the guest is obliged to pay for the room for the entire period, less any expenditure saved by the hotel.
